

**NOTICE**

All registered learners are hereby informed that the LSC 38042 is planning to resume the BSC practical classes w.e.f. April 17, 2022, if the situation permits. The centre has aimed to complete the pending labs for final year students first as to facilitate them completing their respective degree. For the purpose, the centre seeks the registration of the authorized learners in their respective pending labs via the google form. The link of the form is given hereby. Kindly register before April 3, 2022 10 pm to enable us to plan the schedule as per the requirement. Kindly note that each learner can register for more than one lab, as per requirement, but the he/she can attend only one practical lab at a time as allotted by the LSC.
